ALYSSA CINDE V. ROSALES
HRAD Manager
CLIMBS Life and General Insurance Cooperative

Dear Ms. Rosales:

Good day.

I am writing to formally express my intent to apply for the Admin Assistant and/or Claims Assistant position at CLIMBS Life and General Insurance Cooperative, should any of these positions be available.

I am Divine Grace I. Bedonia, a graduate of Bachelor of Science in Information Systems, with work experience as a Project Coordinator/Supervisor at Spawn Internet Company. I am interested in these positions as they align with my educational background and my experience in administrative coordination, documentation, and process monitoring.

In my previous role, I was responsible for coordinating projects, supervising daily operations, handling reports and records, and communicating with team members to ensure timely and accurate completion of tasks. This experience strengthened my organizational skills, attention to detail, and ability to handle multiple responsibilities—skills that are relevant to both administrative support and claims-related functions.

Additionally, my academic training has equipped me with skills in computer applications, data management, documentation, and effective communication. I am responsible, hardworking, and eager to learn, and I believe these qualities will allow me to contribute positively to the operations of your organization.

I am hopeful to be considered for either position and be given the opportunity to contribute my skills and experience to CLIMBS Life and General Insurance Cooperative. I am willing to comply with all requirements and responsibilities associated with the role.

Thank you very much for your time and kind consideration. I am looking forward to your favorable response.

Respectfully yours,

Divine Grace I. Bedonia
