### Internet Connectivity Advisory:

Please be informed that internet services will experience a temporary interruption, including access to [www.denr10.com.ph](http://www.denr10.com.ph), from **February 13 to February 15, 2026** due to ongoing server rehabilitation activities.

The scope of work includes:

- Migration of server equipment from the old rack cabinet to the new rack cabinet
- Server configuration and testing
- Relocation of CCTV system equipment to a new rack cabinet

We appreciate your patience and understanding while these activities are being carried out.
